- Anticipated employment of ~300 faculty and staff at that time
- Will work closely with local area hospitals and 4-year colleges across the state

Rueter-Hess Reservoir - construction began in November 2004. Planned capacity has been expanded from 16,000 acre-feet to 71,000 acre-feet to allow other districts to store water, including Castle Rock for 10,000 acre-feet. In addition, a recreation enterprise has been created to allow recreational opportunities on about 3,000 acres of open space at the reservoir. The reservoir will be stocked with fish, and non-motorized boats will be allowed. Trails surrounding the reservoir will connect to local and regional paths. Completion has been extended due to the increased capacity.

Salisbury Equestrian Park – Phase II Project - Project consists of constructing four new ball fields, equestrian facilities, parking lot/access road and a concession building at the Salisbury Park facility on Motsenbocker Road. The design for Phase II (equestrian portion) of the Salisbury Park improvements is currently being reviewed to allow multiple equestrian and community uses at the site. Following completion of this design review, the Town will proceed with processing of the site plan through the Town's Community Development department. Staff has met will be meeting with representatives of the equestrian community to gather input regarding arena design and construction phasing. Based on this input, the Town's design consultants are finalizing the site plan and construction documents.

Chambers Road / West Mainstreet

Chambers Road is now open from Lincoln to W. Mainstreet.

Meridian Village will build a road from their Residential Development to connect to Lincoln Avenue. This road will match up with 3rd St. at Grandview Estates. Road will open mid-October, 2007.

West Parker Road is closed, and is not anticipated being re-opened due to Douglas County development in the area.

Hess Road to I-25

Douglas County will use Hess Road as the major east-west connector between Parker and I-25.

Inspiration Drive

Autumn, 2006 - Douglas County began the first phase of improvements along Inspiration Drive, from Antelope Trail to the western edge of RockingHorse Development, which is now under construction north of Inspiration Drive.

Pine Lane Extension Project

Opened December, 2007.
